Donation For Rescue Squad

Ray Noble, member of the Appomattox County Rescue Squad, on the left, accepts a check for $50.00 from Jim Williams, Mayor of Pamplin, on the right. The check was sent in from John T. Morton of Tyro, Virginia, the son of the late Dr. Charles Morton who practiced medicine in Pamplin some years ago. The Rescue Squad appreciates any and all donations.

High School Equivalency Examination Class Offered

Are you one of those persons who for one reason or another did not finish high school, but would like to have the equivalence of a high school diploma? In an announcement made this week by the Appomattox County School Board office your desire might be fulfilled. An adult class is being planned for anyone who has completed the 8th grade and would like to continue his on her education. This class known as General Education Development will have **registration** and the first session on **Tuesday night, November 6, at 7:00 in the library of the Appomattox Intermediate School.** The class is being planned for each Tuesday and Thursday night of the week from 7:00 - 9:30 and is to be scheduled for a period of 22 weeks on 108 hours of class instruction. Cost of registration for the class will be $35, and this cost will cover all expenses including textbooks. A total of twelve persons must enroll before the class will be offered. The chief aim or purpose of the General Education Development (GED) class is to prepare a person for the High School Equivalency Examination. Last year a total of ten persons taking the course successfully completed the equivalency examination and were awarded certificates denoting this achievement.

Battle of Appomattox Station 1865

Cont'd from Page 1

hastily drawn lines, finally broke through around 9 a.m. scattering some of the Confederates toward Lynchburg and the others toward Red Oak Church. Following this action, in which the Union forces captured nearly 25 pieces of artillery, General Sheridan set up headquarters in a small house just south of the station.

While the military engagement of Appomattox Station was not large in comparison to others during the Civil War, it nevertheless was a decisive factor in that it helped deliver one of the final blows to Lee's Army of Northern Virginia. The next day, Easter Sunday, April 9, 1865, Generals Lee and Grant met in the home of Wilmer McLean, two miles to the east in the small village of Appomattox Court House.

WOULD YOU LIKE THE HOMECOMING GAME "Football"?

Cont'd from Page 1

and tickets can be obtained at any of the vehicles.

Money for the ACRS Canteen Fund has, in the past, been earned by members of the squad by the sponsoring of bake sales, selling foods at auctions and the like. The money is used for kitchens supplies, coffee and such, for flowers sent to hospitalized crew members, for a dinner once a year at the annual installation of officers, and for several needs not bought and paid for with money from the General Fund. Your support in this project will be greatly appreciated, so, bring an extra quarter or two with you Friday night and take a chance on the "game ball".

Thanks to Coach Robinson and all those at ACHS who have made this possible.

Drawing will take place at half-time and the winner will be announced immediately following the half-time activities.

Dowdy Furniture Co.

Second St. Farmville, Va.

Speaks to C. of C.

Cont'd from Page 1

masville Furniture Industries, gave a brief history of the company, their plans for the Appomattox plant, and showed slides of the Thomasville operation to those present.

Thomasville Furniture Industries today is the outgrowth of a tiny dining room chari manufacturing business founded in 1904 in Thomasville, North Carolina. From that struggling beginning, it has grown into the fourth or fifth largest furniture manufacturing company in the United States with 20 manufacturing facilities and one facility where lumber is processed. Thomasville now manufactures a fine line of Living Room, Bed Room and Dining Room furniture in designs to suit everyone's fancy.

Bish told the group that when Thomasville furniture Industries decided to build a new facility they set out to find a place in the southeast, a place with ready access by rail or truck to enable shipment in and out, a place with a good environment providing good churches and good schools, a good labor market, a place where "working for a living is not out of style", a place where taxes are in line - they liked Appomattox and Appomattox liked Thomasville! That was important and after looking at many possible sites, only Appomattox met all requirements they were looking for. These are the reasons that Thomasville is now building the most modern furniture-making factory in the country in Appomattox, a factory that will manufacture all bed-room furniture in various styles and types.

Bish stated that the new Thomasville facility will be a pleasing addition to the Town of Appomattox and will offer no air or sound pollution problems. Construction at present is a little behind the schedule but hopefully one L-shaped end will be up in time for and they can move in equipment for test work by January, with operation ready to begin in October of 1974.

He concluded that they are really excited about coming to Appomattox and have been quite pleased with the warm welcome they have received from the people and promised that "we will be a good corporate citizen."

Historical Appomattox Railroad Festival

Cont'd from Page 1

to come to the festival. Radio spots are also planned.

Historic Appomattox Railroad Festival has certainly become a COMMUNITY EFFORT. Appomattox businesses and civic groups have pledged over $500 to cover the cost of the "Cactus Joe Choo Choo" and the other expenses. This allows chilren to ride the choo choo free. Festival brochures and posters have been printed by the Appomattox Chamber of Commerce. Appomattox Jaycees have promised a professional Blue Grass band, A.C.H.S band, cheerleaders, and majorettes will be involved, together with local gospel and country western bands. Many civic groups will be involved with individual sale or display of arts and crafts. Appomattox Junior Woman's Club and Appomattox Senior Woman's Club will act as festival hostesses, in historical dress, and pass out brochures. Town Sheriff's department will provide police protection and traffic control; and Bill Slagle, Town Manager, has made arrangements for repair of the station. FFA, 4-H, and Jaycee volunteers are assisting in the depot preparations.

Volunteers are needed for distribution of posters through out Central Virginia. Groups or individuals can pick up posters or brochures at the District Extension Office on Main St. Posters should be placed on public bulletin boards, and brochures can be left at hotels, motels, and visitor centers. So, if you plan to visit Lynchburg, Farmville, Charlottesville, or any point outside of Appomattox, please take a poster. Call your friends and relatives in surrounding counties and invite them to the first annual "Historic Appomattox Railroad Festival."

Public Hearing Set For Oct. 26

Senator Edward E. Willey of Richmond, Chairman of the Commission to Study the Costs of Administration of Health Care Services, announced that the Commission will hold a public hearing in Abingdon on Friday, Oct. 26, at 2 p.m., in the Martha Washington Inn. Also serving on the Commission are Senator Adelard L. Brault, Fairfax; Senator John C. Buchanan, Wise; Dr. Leo Burton, Roanoke; Robert Carter, Richmond; Everette S. Francis, Richmond; Delegate George Mason Green, Jr., Arlington; Delegate Donald A. McGlothlin, Sr., Grundy; Delegate William P. Robinson, Sr., Norfolk; Frank A. Schwalenbert, Newport News.

In continuing its investigation and study of the operation and administration of all health care plans, the Commission is looking toward the establishment of recommendations which would operate to stabilize the rising costs of health care. Under consideration by the Commission are the Maryland and Connecticut health care laws, with special attention being paid to Peer Review Systems.

The Commission welcomes anyone who wishes to speak on these or other related topics as well as any interested citizens who may wish to attend. Those desiring to speak are requested to limit their remarks to approximately ten minutes.

Wreath Honors Deceased Members

Mr. and Mrs. Russell B. Frost, jr., are seen in the picture above standing before the Confederate Monument in Greenhill Cemetery, Danville, Va., Mrs. Frost is the president of the Virginia Division, United Daughters of the Confederacy.

The wreath in the background is made up of 99 white carnations, placed in memory of each member of the organization who passed away during the past year. Three of the carnations are in memory of ladies who were members of the Appomattox Chapter - Mrs. Rebecca Coleman; Mrs. Gracie Winters, a Real Daughter; and Mrs. Nell Walton Cook.

Studded Tires Not Legal In Va. Until Nov. 1

RICHMOND - Use of studded tires will not be legal in Virginia until Nov. 1, 1973, Colonel H. W. Burgess, Supt. of State Police, warned motorists today.

He said formerly the dates permitting use of such tires were Oct. 15 to April 15 but the 1972 General Assembly changed them to April 1 and the 1973 General Assembly did not act in this field.

Colonel Burgess said there is much pro and con controversy as to whether damage done to highways by studded tires outweighs their safety factors and that the State Highway Department is conducting a continuing study of the situation.

CARD OF THANKS

I wish to thank everyone for the cards, flowers, visits, phone calls and prayers and for carrying me to the doctor in Lynchburg during my eye trouble while being off from work for a week.

May God bless each of you.

Sincerely

Christine Dickerson

Post Office Offers Mailing Bags For Sale

The Appomattox Post Office has placed on sale, padded mailing bags as an added convenience to customers, Postmaster H. W. Conner announced today.

The mailing bags will be sold in three convenient sizes by window clerks. The bag sizes are 6x10, 10½x16, 14¼x20 inches and are priced at 20, 25 and 30 cents respectively. The post office will provide special markers for addressing, and staplers for sealing the bags.

This special preparation service is a one stop convenience and a five step process in which the customer purchases a bag, inserts the item, addresses the bag, seals with stapler, and presents the bag for mailing to destination.

These padded bags are an ideal container for mailing gifts, books, candy, clothing and other similar size items.

Mr. Conner stated "the postal service has successfully experimented in the sale of these mailing bags during the past year at selected post offices. As a result of increasing demand for this container, all first class post offices in the eastern region will now have this convenient item available to customers."

The primary objective of the bag is to provide another method to assist the U. S. Postal Service in its continuing efforts to reduce parcel damage and insure delivery of parcels in good condition. Better service - a satisfied customer.
